

RSSDI RESEARCH RETREAT 2023

8TH & 9TH APRIL 2023, HYDERABAD

Dear All,

The 2nd Research Retreat has been announced to be held on 8th & 9th April, at Hyderabad. We had a very successful 1st RSSDI Research Retreat at Pune and we thank everyone for its success.

The 2nd Research Retreat provides a unique opportunity for everyone to present their original research work at the meeting. If anyone has published original research work in peer view journals in the last two years and would like to present at the research retreat, kindly upload the same on the official RSSDI website, the link to which is provided below

www.rssdiresearch.org/member/retreat-registration.php

The Research Retreat also offers unique opportunities to network, participate in workshops, as well as look for new collaboration to work with fellow colleagues. **Final submission date is 1st February 2023.**

All the submissions done will be scrutinized by an expert committee and the final list of accepted presentations will be communicated through e-mail to selected authors.

For any further details kindly contact the secretariat on 98231 33669 / 70115 76756 or email at rssdihq@gmail.com

Thanking You

Warm Regards

Dr Vasanth Kumar
